Have You Secured
Your *Pathé* For Christmas?

There isn't such a lot of time as you may imagine. Conditions are such that the Pathé Phonograph cannot at this time be produced in sufficient numbers to meet the demand. So please make an early selection—you can secure a Pathé by means of a moderate initial payment. But act before it is too late. There will not be enough Pathé machines to go around for Christmas.

The Pathé Costs No More Than the Ordinary Phonograph
